im jahr 2010 gaben die staaten der europäischen union 197 mrd für den unterhalt
ihrer streitkräften aus davon entfielen allerdings nur etwas mehr als 8 mrd auf
gemeinsame rüstungsprojekte die frage drängt sich auf warum in einem hoch
integrierten europa die synergieeffekte im rüstungsbereich nicht stärker genutzt
werden rüstungskoooperationen wie eurofighter a400m und tiger sind dabei
bekannte begriffe die maßgeblichen internationalen organisationen eda european
defense agency und occar organisation conjointe de coopération en matière d
armement deutsch organisation für die gemeinsame rüstungszusammenarbeit die
hinter vielen projekten der europäischen rüstungskoooperation stehen genießen

jedoch weit weniger öffentliche aufmerksamkei dieses buch beschäftigt sich mit jenen beiden zentralen organisationen der europäischen rüstungskoooperation die eda und die occar wurden dabei mit dem ziel gegründet die europäische koooperation zu intensivieren und synergieeffekte zu erschließen um gegenwart und zukunft der europäischen verteidigungs und rüstungspolitik zu verstehen sind diese organisationen und die ihnen zugrunde liegende interessenkonstellation von entscheidender bedeutung daher wird in der vorliegenden studie die entstehungsgeschichte dieser organisationen beleuchtet der organisatorische aufbau aufgezeigt und die rechtlichen rahmenbedingungen skizziert darüber hinaus wird das zusammenwirken der organisationen betrachtet und deren aufgabenstellung und arbeit analysiert mit hilfe von spieltheoretischen und organisationsanalytischen verfahren wird untersucht welchen beitrag occar und eda zur weiterentwicklung der europäischen rüstungskoooperation leisten und welchen problemen und herausforderungen sich diese gegenübersehen

the decline of european naval forces aims to provide insight into the evolution of europe s naval forces since the end of the cold war to illuminate the drastic changes many european navies have undergone over the last twenty five years jeremy stöhs analyzes the defense policies and naval strategies of eleven european states as well as the evolution deployment and capabilities of their respective naval forces in these case studies the development of europe s most important naval forces is assessed per the respective strategic framework in which they have operated over the past two decades stöhs describes not only the general composition of each force but also the range of their capabilities and their important technical features his study shows that since the end of the cold war all but a few european navies have significantly decreased in size and thus have ceded important capabilities along the way based on the understanding of sea power as a prerequisite for political influence and economic health the consequences of the geopolitical shift toward the asian pacific region and most importantly the general decline of europe s traditional naval capabilities the author concludes that the ability of european states to influence events near and abroad by means of their naval forces has atrophied and will continue to be called into question in the future

this book has relevance for those interested in understanding russia s course in international relations under the leadership of vladimir putin this book will inform the reader and is especially relevant in light of the events of 2008 in the caucasus and the war in georgia in particular the author explains the ideology of neo eurasianism which in turn inspires the policy thinking of the kremlin also studied is putin s origins

in the kgb from the previous posts of secretary of the security council and director of the fsb and his rise to power in the crucial year of 1999 when he became russian prime minister the author highlights the continuing trend of appointing high ranking officers of the russian intelligence community to senior positions in the government studying this in the context of russian civil military intelligence relations the author reached the conclusion back in 2003 that the members of russian intelligence hold the reins of power above the civilian and military elements of the russian government the author returns to the kosovo crisis of 1999 discussing also the motives that led the kremlin and putin to invaded chechnya for a second time in a decade parallels can be drawn to the 2008 russian invasion of georgia and the roots of the neo eurasianist ideology that is behind the two invasions are examined this book will help the reader understand russia s current and future distribution of power in the caucasus the balkans and the world at large moscow s search for a multipolar world and its opposition to u s hegemony
